CHRISTIAN  
CONFERENCE**

**THE BIBLE** -- We believe the Bible, consisting of the Old and New Testament, to be the only inspired, inerrant, infallible, authoritative Word of God written.

**THE TRINITY** -- We believe that there is one God, eternally existent in three persons: Father, Son, and Holy Ghost.

**THE LORD JESUS CHRIST** -- We believe in the deity of Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.

**REDEMPTION** -- We believe that for salvation of lost and sinful man regeneration by the Holy Spirit is absolutely essential.

**THE HOLY SPIRIT** -- We believe in the present ministry of the Holy Spirit by Whose indwelling power and fullness the Christian is enabled to live a godly life in this present evil world.

**THE RESURRECTION** -- We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life, and they that are lost unto the resurrection of damnation.

**SPIRITUAL UNITY** -- We believe in the spiritual unity of all believers in Christ.

**THE SOVEREIGNTY OF CHRIST**

# From the Conference President

On April 6, 1593, Henry Barrow and John Greenwood were hanged in London, and John Penry shared their fate on May 29<sup>th</sup>. Who were these men and why were they executed? They were young (Barrow about 43, Greenwood about 33, and Penry about 30), highly educated (all three attended Cambridge University, and Penry also graduated from Oxford), and devout followers of Jesus Christ. They believed that salvation came solely by grace through faith, that the Scriptures were the sole authority for faith and practice, and that each church was to consist of believers directly ruled by King Jesus. Seeking to be faithful to Christ, these men and others in England who shared their beliefs, formed churches outside of the established state church. Obedience to Christ

was their motivation, but the state viewed these “Separatists” as seditious agitators who had to be eliminated. The authorities hoped that killing these three prominent leaders would cause those who remained to see the error of their ways, and abandon their beliefs and practices. Their hopes were dashed. In spite of continued persecution, these early Congregationalists (the name they would eventually receive) would not surrender their beliefs. Whether the price was death, imprisonment, harassment, or exile, being true to the Lord was a price worth paying!

Following in the footsteps of those who have gone before us, the Conservative Congregational Christian Conference, consisting of churches, ministers, commissioned workers, lay preachers, and individual lay members, seeks to remain faithful and true to the Lord, no matter what the cost. In this pluralistic age, we are united in proclaiming that Christ is the way, the truth, and the life (John 14:6), and that salvation comes by grace through faith, the gift of God, unattainable by our efforts (Ephesians 2:8-9). We are united in our belief that the Bible is the only inspired, inerrant, infallible, authoritative Word of God written (II Timothy 3:16-17). We seek to conform our lives and our churches to its truth. We bring its truth to bear upon our culture without compromise. We are united in our belief that Christ directly rules over each church, that each church is to be guided by the Scriptures and led by the Holy Spirit, and that each church is directly accountable to the Lord. Jesus is our High Priest, and all the people of God are part of His royal priesthood (I Peter 2:9). It is our great joy to worship Him now and forevermore, to love and edify one another as members of His body the church, and to carry out the Great Commission to bring the Good News to all, both near and far.

We thank the Lord for our Conference. United in Christ, may the Lord lead us and empower us to faithfully serve Him in the twenty-first century!

To God alone the glory!  
Rev. Nicholas G. Granitsas

INDEPENDENT AUDITORS' REPORT

To the Board of Directors  
of Conservative Congregational Christian Conference  
Lake Elmo, Minnesota

We have audited the accompanying statement of financial position of the Conservative Congregational Christian Conference (a non-profit organization) as of December 31, 2006, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Conference's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with United States generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Conservative Congregational Christian Conference as of December 31, 2006, and the changes in its net assets and its cash flows for the year then ended in conformity with United States generally accepted accounting principles.

NOTES TO FINANCIAL STATEMENTS

**1. Nature of Organization**

The Conservative Congregational Christian Conference (the Conference) is an association of congregationally governed churches to assist those churches by promoting their worship, extending their fellowship, encouraging their witness, and facilitating cooperation and to preserve and promote Scriptural principles of local church autonomy and the freedom of the believer in Christ. The Conference also provides literature to the churches through the ministry of Forsee Publications.

The Conference is exempt from income tax under Section 501(c)(3) of the U.S. Internal Revenue Code and comparable state law, and contributions to it are tax deductible within the limitations prescribed by the Code. The conference has been classified as a publicly supported organization that is not a private foundation under Section 509(a) of the Code.

**2. Significant Accounting Policies**

Basis of Accounting

The financial statements of the Conference have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with United States generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates. The more significant accounting policies are summarized below.

Fund Accounting

The accounts of the Conference are maintained in accordance with the principles of fund accounting. Under fund accounting, resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purpose. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds have been combined and presented for the Conference as a whole in accordance with the provisions of Statement of Financial Accounting Standards No. 117, "Financial Statements of Not-for-Profit Organizations." Under SFAS 117, the Conference is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Inventory

Forsee Publications maintains an inventory of books and other materials it purchases for resale. Inventories are stated at the lower of cost or market on a first-in, first-out basis.

NOTES TO FINANCIAL STATEMENTS (Continued)

**Summary of Significant Accounting Policies (Continued)**

**Property and Equipment**

Property and equipment is recorded at cost and depreciated over the estimated useful lives of the individual depreciable assets using the straight line method.

Maintenance, repairs and minor renewals are charged to expense while major renewals and betterments are capitalized.

**Contributions**

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

**Donated Services**

No amounts have been reflected in the financial statements for donated services. The Conference pays for most services requiring specific expertise.

**Allocated Expenses**

Expenses by function have been allocated among program and supporting services classifications on the basis of estimates made by the Conference's management.

**3. Office Facilities**

During 2006, the Conference sold the office condominium it had been using as its headquarters since 1983. On September 7, 2006 it acquired a new facility at a total cost of \$498,514. The purchase cost was funded entirely through contributions and required no additional financing.

**4. Investments**

Investments at December 31, 2006 consisted of the following:

	<u>Market Value</u>	<u>Cost</u>
Dreyfus Government Cash Mgmt. Fund	\$ 873,700	\$ 873,700
Government and Agency Obligations	756,422	754,854
Mutual Funds	76,578	74,546
Totals	<u>\$1,706,700</u>	<u>\$1,703,100</u>

NOTES TO FINANCIAL STATEMENTS (Continued)

**5. Inventory**

Inventory at December 31, 2006 is comprised primarily of books and educational materials with a cost of \$8,619.

**6. Property, Equipment and Accumulated Depreciation**

Property, equipment and accumulated depreciation are as follows as of December 31, 2006:

Asset Cost:	
Land	\$ 50,000
Building	448,514
Furniture, Fixtures and Equipment	<u>75,793</u>

Property and Equipment - Net	<u>\$558,684</u>
Depreciation Expense:	
Building	\$ 958
Furniture, Fixtures and Equipment	<u>7,047</u>
Total	<u>\$ 8,005</u>

**7. Calvary Trust (C.E.C.C.)**

The Conference entered into a merger agreement with Calvary Evangelical Congregational Church (C.E.C.C.) effective December 16, 1991, whereby all assets of Calvary were transferred to the Conservative Congregational Christian Conference. These assets are to be held in trust by the Conference. As of December 31, 2006, certificates of deposit include \$143,433 attributable to the Calvary Trust. The annual earnings are reported as temporarily restricted income and are distributed to certain beneficiaries in accordance with provisions of the agreement.

NOTES TO FINANCIAL STATEMENTS (Continued)

**8. Bequest Received In Prior Year**

In 2005, the Conference was the recipient of a \$2,091,000 bequest from the dissolution of a member church in Boston, MA. Twenty percent of the total funds transferred were given to the Conference for its general use and discretion, with no expressed direction.

The remainder of this bequest was made with the expressed intent that the money be deposited into a fund called The Phillips Church Fund to be used primarily for outreach and church planting, with consideration given to the South Boston, Massachusetts and similar urban areas. The Conference has established several funds for this purpose.

**9. Off-Balance Sheet Risk**

The Conference maintains its cash balances at Mainstreet Bank, St. Paul, MN. At December 31, 2006 it had \$393,731 in excess of federally insured limits for deposits. The possibility of loss exists if a bank holding excess deposits were to fail.

**10. Unrestricted Net Assets**

Included in unrestricted net assets are fund accounts established by the Board of Directors for special purposes. Following is a summary of those accounts for the year ended December 31, 2006:

# CONSTITUTION AND BY-LAWS OF THE CONSERVATIVE CONGREGATIONAL CHRISTIAN CONFERENCE

(Revised 2006)

## PREAMBLE

In gratitude to Almighty God for the gift of salvation through our Lord Jesus Christ; and believing that, to the glory of God, the task of the church of Jesus Christ is three-fold, i.e., the worship of God, the edification of the saints, and the evangelization of the world; and believing further that there is a definite need among congregationally governed churches of historic Biblical persuasion for an association to assist them in the performance of said task: We therefore as autonomous churches declaring our unqualified belief in the entire Word of God written, humbly invoking the guidance of the Holy Spirit, have covenanted together to form such an association.

### Article I - Name

The name of this organization shall be: THE CONSERVATIVE CONGREGATIONAL CHRISTIAN CONFERENCE, hereinafter called the Conference.

### Article II - Purpose

1. To promote the worship of God in our churches.
2. To deepen and extend the fellowship of our churches.
3. To encourage a steadfast, Biblical witness by our churches.
4. To facilitate cooperation and counsel among our churches with regard to evangelism, edification, Christian education, stewardship, missions, church extension, Christian action, women's and men's fellowships, youth activities, the pastoral ministry, and other related concerns.
5. To preserve and promote the Scriptural principles of the autonomy of the local church and the freedom of the believer in Christ.

### Article III - Statement of Faith

1. We believe the Bible consisting of the Old and New Testament, to be the only inspired, inerrant, infallible, authoritative Word of God written.
2. We believe that there is one God, eternally existent in three persons: Father, Son and Holy Spirit.
3. We believe in the deity of Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.
4. We believe that for salvation of lost and sinful man regeneration by the Holy Spirit is absolutely essential.
5. We believe in the present ministry of the Holy Spirit by Whose indwelling power and fullness the Christian is enabled to live a godly life in this present evil world.
6. We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.
7. We believe in the spiritual unity of all believers in Christ.

### Article IV - Statement of Polity

1. We believe that Jesus Christ is the Head of His body, the Church universal, and of each local church.
2. We believe that each local church is in itself a complete church, and therefore autonomous and possesses all rights and responsibilities of the church by the Holy Spirit as set forth in the Holy Scriptures.

3. We believe that Jesus Christ exercises His authority in each local church by the Holy Spirit and through the Holy Scriptures.

4. We believe that each local church is ultimately answerable only to Jesus Christ, and not to any association, conference, council, synod or any other ecclesiastical body.

5. We believe that it is proper and beneficial for each local church to seek fellowship and counsel of other such local churches.

## **Article V - Membership**

1. Membership in this Conference shall be attained by the voluntary association of churches, ministers or individual lay members who find themselves in full accord with the Statement of Faith and Statement of Polity (Articles III,IV) of this Constitution, the Code of Ethics for Ministers and Churches, and with the general principles of this Conference as set forth in the Constitution and By-laws. Conference membership, whether of church, minister or lay members, may be subject to review by the ensuing Annual Meeting of the Conference. Ministerial membership shall be accorded on the basis of the approved ministerial standards of the Conference, as set forth in the By-laws of this Constitution. ## **CODE OF ETHICS FOR CHURCHES**

The Christian Church is the Body of Christ and is destined to be His Bride. In as much as every local church is an expression of the whole Body it is needful for her to be committed to vigilance in all of her relationships:

### **In Relationship to Christ**

Believing that Jesus Christ is the Head of the Church...

We will honor and exalt Him in all of our relationships and ministries. We will keep ourselves free from all policies and practices which might tend to mar the beauty of the Bride of Christ.

### **In Relationship to Fellow-Members**

Believing that the local church is an expression of the family of God...

We will promote unity among the members of the congregation, resisting all jealousy, rivalry, self-seeking and division which would disturb that unity.

We will "... make every effort to do what leads to peace and to mutual edification." (Romans 14:19)

### **In Relationship to Other Churches**

Believing that the Church is a universal body...

We will attempt to maintain honorable relationships with other churches in the community.

### **In Relationship to the Community**

Believing that the witness of the church in the community affects the ministry of that church to the community and reflects on Christ, the Head of the Church...

We will endeavor to keep our dealings with agencies, businesses and individuals in the community honest and above reproach.

### **In Relationship to the Conference**

Believing that our membership in the Conservative Congregational Christian Conference is not only a privilege but also involves responsibility...

We will fulfill our fellowship, ministry and financial obligations to the Conference to the best of our ability.

We will uphold the doctrines and principles of the Conference.

### **In Relationship to the Pastor and Other leaders of the Church**

Believing that the pastor and other spiritual leaders are shepherds of Christ's flock...

We will love, honor and submit to them as they, by example and word, watch over our souls.

We will support the pastor financially so that he may be able to meet his obligations without bringing reproach upon himself or us.

We will not allow anything among us that would undermine the pastor's ministry or rob him of the confidence of the church and the community.

We will endeavor to respond to all criticism dealing with the pastor, other spiritual leaders, or their families in an honorable manner, not tolerating subversive or clandestine meetings.

Whenever legitimate criticism or charges against anyone arise, we will follow Scriptural direction for church discipline, always with a desire for reconciliation and restoration and always making use of the cloak of love.

G. Membership cards for Ordained Ministers, Licensed Ministers, Commissioned Christian Workers and Lay Preachers shall be issued annually on a calendar year basis following the return of the annual questionnaire and a gift of any amount to the financial support of the Conference. Refusal to contribute in this way to the financial support of the Conference for a period of two consecutive years will result in a review by the Credentials Committee and in dismissal should it be shown to be warranted.

Ordained Ministers, Licensed Ministers, Commissioned Christian Workers and Lay Preachers who are inactive in the Conference for a period of two years, during which time they do not answer Conference or regional correspondence or questionnaires; do not attend any Conference or regional meetings; and do not make any contact whatever with this Conference, shall be contacted if at all possible by the Credentials Committee to ascertain their interest in the Conference. If there is no response or no interest indicated, the names of such members may be recommended for removal from Conference membership by the Credentials Committee at the Annual Meeting.

H. Ordained Ministers, Licensed Ministers, and Commissioned Christian Workers who for a period of two or more years (during one year for Licensed Ministers) fail to exercise the functions of the ministry for reasons other than disability or retirement and who pursue secular employment with no apparent effort to serve as a pastor or in some capacity as a minister (i.e. beyond those activities ordinarily done by laymen) shall be questioned by the Credentials Committee as to the propriety of their continued standing as a minister or a Commissioned Christian Worker. If such persons persist in the neglect of

their ministry and refuse to resign from Conference standing unless there are extenuating circumstances, the Credentials Committee may recommend, to any Annual Meeting of the Conference, removal of their membership status or transferal to Individual Lay Membership within the Conference. The right to request reinstatement upon a return to proper ministry is presumed.

## 2. Ordained Ministerial Membership

A. A Ministerial standing in this Conference shall require:

(1) A minimum academic attainment of a diploma from an accredited Bible institute or the equivalent in formal education or Christian service. However, this Conference considers seminary training to be desirable.

(2) A vocational call to a specific place of service that involves the ministry of the Word.

(3) Acceptable ordination to the Christian ministry, as determined by the Credentials Committee.

(4) Reception into membership in the Conference in the manner provided by the Constitution (Article V).

B. Good and regular standing of ministers shall indicate that they do hold Conference membership and are not under disciplinary penalty as a result of charges against them.

## 3. Licensed Ministerial Membership

A. Ministerial license to preach conferring authority to perform the regular functions of parish ministry, including the solemnization of marriages where legally permissible, shall be granted by the Conference upon recommendation by the Credentials Committee and shall expire with the closing date of the ensuing Annual Meeting of the Conference. Such license is renewable at the discretion of the Credentials Committee upon application to its chairman at least thirty days before expiration of the license.

B. A Licensed Ministerial standing in this Conference shall require:

(1) A minimum academic attainment of a diploma from an accredited Bible institute or the equivalent education or Christian service. However, this Conference considers seminary training to be desirable.

(2) A call to a particular place of service that involves the ministry of the Word.

(3) Reception into membership in the Conference in the manner provided by the Constitution (Article V).

C. Licensed Ministerial standing shall be recognized as valid as long as the licensee is actively engaged in an appropriate form of ministry.

D. Under special circumstances, a student in seminary may be granted Licensed Ministerial standing while performing the functions of a parish ministry.

E. Licensed Ministerial standing is normally the first step to ordination and Ordained Ministerial standing. A license should be held for one year before seeking ordination.

## 4. Commissioned Christian Worker Membership

A. Persons who have been commissioned into a Christian vocation such as a missionary, tent making worker, mission executive or support worker, an editor of a Christian periodical, a director of Christian education, a director of evangelism, a minister of music, or those who give service within Christian non-profit agencies as a teacher, doctor, nurse, or social worker may be received into Conference membership as a Commissioned Christian Worker.

B. Commissioned Christian Worker standing in the Conference shall require:

(1) A competency in the chosen professional field, on-the-job experience may be considered as equivalency for formal training in certain cases.

(2) Acceptable commissioning by a local church into a particular Christian vocation, as determined by the Credentials Committee.

(3) An engagement or formal invitation to a particular position.

(4) Reception into membership in the Conference in the manner provided by the Constitution (Article V).

(5) Since commissioning is to a particular vocation, if there is a change in vocation, there must be a recommissioning. If there is a change in church membership, then the new church must endorse the commissioning.

C. Persons called to such Christian vocation other than the ordained ministry and who are received into the Conference as Commissioned Christian Workers are entitled to all the rights and privileges of the Conference. This status does not grant authority to perform the regular functions of parish ministry, including the solemnization of marriages.

D. The Commission shall be recognized as valid as long as the Commissioned Christian Worker is actively engaged in the form of specific service to which he was commissioned.

#### 5. Conference Care Membership

A. Prospective candidates for the ministry, the mission field, and other areas of service such as Christian education, church administration, ministry of music and similar areas, may be received under Conference Care for guidance in preparation. Under such care the enrollee will study the Conference Study Course. The enrollee shall have an annual personal conference with a member of the Credentials Committee or with some Conference representative appointed by them. A person who has been received under Conference Care is considered a member of the Conference under Conference Care and is entitled to vote at all Annual Meetings and special meetings of the Conference. His vote does not necessarily have to be included in the delegation from his home church, if that church is a member of the Conference.

B. Conference Care standing may be granted to candidates from foreign countries who are resident, and only for so long as they are resident, for study in the United States of America.

#### 6. Lay Preacher Membership

A. The Conference shall provide for the status of Lay Preacher upon the application of an individual to the Credentials Committee and shall be available only to lay members of the Conference. Such status shall be granted for the purpose of recognizing an active lay witness of an individual, but it shall not include the privileges of Licensed Ministerial standing such as authority granted by the Conference to perform the regular functions of a pastorate including the solemnization of marriages, and officiating at funerals, baptisms/dedications, and the Lord's Supper.

B. The status of Lay Preacher for the individual shall expire with the closing date of the ensuing Annual Meeting of the Conference and be renewable at the discretion of the Credentials Committee upon application at least thirty days before the expiration of such status.

#### 7. Individual Lay Membership

A. This membership shall be granted to members of congregationally governed churches which are not members of this Conference. Such Individual Lay Members shall be granted the full privilege of Conference membership in accord with the Constitution (Article V, Sections 1-4 and Article VII, Section 3).

B. An Associate Lay Membership may be granted to individuals who are members of non-congregationally governed churches which will carry with it all the privileges of Associate status (By-law VII, Section 1,f.).

#### 8. Unprocessed Applications

Churches, ministers, or individual lay members from non-member churches, whose applications for membership have been processed too late to be circulated to the entire Conference membership before the Annual Meeting, or whose applications are still in process, may be given the right to speak from the floor and/or the right to vote at the said Annual Meeting, by a majority vote of the assembled delegates.

## **V. Ordination to the Christian Ministry**

1. Ordination to the ministry shall be by a local church, after examination by a council called by said church.

2. A candidate for ordination to the Christian ministry and subsequent ministerial membership in this Conference will be expected to have a life which is bearing the fruit of the Spirit, and which is marked by deep spirituality and the best of ethical practices. The candidate may be disqualified by any habits or practices in his life which do not glorify God in his body which belongs to God, or which might cause any brother in Christ to stumble.

3. Every candidate for ordination is encouraged to first apply for Ministerial License.

4. This Conference recommends that any local church which calls an unordained person to its pastorate who does not hold a Ministerial License from this Conference allow a trial period of one year before proceeding with his ordination.

## **VI. Finance**

There is to be no per-capita assessment or apportionment levied by this Conference upon the member churches or ministers. The churches and ministers are expected to assume voluntarily a share in the financial responsibility of the Conference. This does not preclude fees for services such as an application fee.

## **VII. Conference Records**

All records of Conference business in the hands of Conference officials are the property of the Conference, contents of which must be made available to authorized Conference officials upon request, and which must be delivered to the Conference upon termination of the service of officials.

## **VIII. Seal**

The seal of the Conference in use at the time of this Constitutional revision shall continue as the official seal of the Conference, and shall be used by having the same, or a facsimile thereof, impressed or affixed, or reproduced otherwise.

## **IX. Fiscal Year**

The fiscal year of the Conference shall be from January 1 to December 31.

## **X. Amendments**

These By-laws may be amended by the affirmative vote of two-thirds of the Conference members present and voting at an Annual Meeting or special meeting of the Conference, provided that in writing thirty days notice of the substance of proposed amendments to the By-laws be given to all members of the Conference. Upon adoption of amendments, the orderly numbering, lettering, capitalization and spelling of the By-laws shall be cared for by the Constitution Study Committee.

# THE NATURE OF OUR FELLOWSHIP

## STATEMENT

To include as brothers and sisters those with greatly diverse convictions in certain theological areas is not a weakness but a strength and in harmony with Biblical truths. The architects of the Congregational Way labored for the freedom to be ruled by God. This means that Jesus Christ alone is head of the Church and Lord of the conscience. He directs His Church through Scripture, speaking in this manner to officers and individual members.

This freedom requires an environment of unity and liberty, cultivated in the context of honestly differing theological viewpoints. Thus we must seek continually to maintain a true balance. To this end, we recognize that as Congregational Christians we do not have to agree on everything to achieve Biblical respect and spiritual health. In the spirit of Acts 15, we seek to promote maximum freedom for the rule of God in our churches. This is the merit of the Congregational conscience.

We do not claim that the theological breadth of our Conference today is a precise extension of all the doctrines of the Savoy Declaration of 1658. But we do consider it significant that Browne's "Statement of Congregational Principles" antedates Savoy by 76 years and that the latter was itself a modification of the Westminster Confession including a more flexible view of the role of creeds. According to these historic Congregational principles, each church is complete in itself and independent from every other. Thus, there is no appeal from the decisions of the local church.

Consequently, we believe that the Biblical fellowship offered by us today meets a need for fellowship among congregationally governed churches and is the outgrowth of the Congregational principles of 300 years ago. If those principles are seen as Biblical, then our current relationships deserve the name Congregational, for they appeal to the same ecclesiology. And, how relevant this is: we offer real freedom at a time when it is being lost almost everywhere else.

There is freedom in the CCCC today to believe and practice the strictest Reformed theology of our early fathers, as well as other essentially Christian theology which differs in certain ways from the Reformation perspective. Should either be denied in a forced unity, contrary to the ecclesiology of the original founders, we would no longer be fully Congregational.

## CONCLUSION

Today we are faced with lawlessness and legalism not only in our society but in many Christian churches. To maintain both freedom and unity is difficult, but worthwhile. The task of being a true Congregationalist was never easy but always a source of blessing.

# CODE OF ETHICS FOR CHURCHES

The Christian Church is the Body of Christ and is destined to be His Bride. Inasmuch as every local church is an expression of the whole Body it is needful for her to be committed to vigilance in all of her relationships:

## **In Relationship to Christ**

Believing that Jesus Christ is the Head of the Church...

We will honor and exalt Him in all of our relationships and ministries. We will keep ourselves free from all policies and practices which might tend to mar the beauty of the Bride of Christ.

## **In Relationship to Fellow-Members**

Believing that the local church is an expression of the family of God...

We will promote unity among the members of the congregation, resisting all jealousy, rivalry, self-seeking and division which would disturb that unity.

We will "... make every effort to do what leads to peace and to mutual edification." (Romans 14:19)

## **In Relationship to Other Churches**

Believing that the Church is a universal body...

We will attempt to maintain honorable relationships with other churches in the community.

## **In Relationship to the Community**

Believing that the witness of the church in the community affects the ministry of that church to the community and reflects on Christ, the Head of the Church...

We will endeavor to keep our dealings with agencies, businesses and individuals in the community honest and above reproach.

## **In Relationship to the Conference**

Believing that our membership in the Conservative Congregational Christian Conference is not only a privilege but also involves responsibility...

We will fulfill our fellowship, ministry and financial obligations to the Conference to the best of our ability.

We will uphold the doctrines and principles of the Conference.

## **In Relationship to the Pastor and Other leaders of the Church**

Believing that the pastor and other spiritual leaders are shepherds of Christ's flock...

We will love, honor and submit to them as they, by example and word, watch over our souls.

We will support the pastor financially so that he may be able to meet his obligations without bringing reproach upon himself or us.

We will not allow anything among us that would undermine the pastor's ministry or rob him of the confidence of the church and the community.

We will endeavor to respond to all criticism dealing with the pastor, other spiritual leaders, or their families in an honorable manner, not tolerating subversive or clandestine meetings.

Whenever legitimate criticism or charges against anyone arise, we will follow Scriptural direction for church discipline, always with a desire for reconciliation and restoration and always making use of the cloak of love.

## STATEMENT REGARDING MINISTERIAL STANDING OF WOMEN

The Conservative Congregational Christian Conference affirms certain doctrines and principles as basic to its existence and, therefore, non-negotiable in its practice. Among these are its commitment to the full Divine inspiration and authority of the Bible; the autonomous polity of our local churches; and the importance of maintaining unity without denying diversity. Each of these three affirmations has been considered as vital to our position with regard to the ministerial standing of women in our Conference.

A significant amount of study has been done by evangelicals on this subject in recent years. It appears evident to us that Christians, equally committed to the authority of Holy Scripture, may disagree on whether or not the Scriptures allow for the ordination of women. We recognize that some defenders of women's ordination do so upon principles which sacrifice Biblical authority. We in no way support such efforts. We affirm that persons who are firmly committed to the authority of God's Word, though they differ in their interpretations of the Word on this subject, are welcome to hold their convictions with clear conscience within our fellowship.

No church, within our Conference, is required to teach and practice a viewpoint, with regard to ordaining women, which is against the conviction of that particular assembly. Each congregation ordains whom it freely chooses, thus preserving its own autonomy. Whoever is duly ordained in a local church, whether male or female, may apply to the CCCC Credentials Committee and, if qualified, be recognized as ordained. This should not be understood as Conference approval nor disapproval of the ordination of women, but rather as recognition of the conscientious action of an autonomous congregation.

We urge, in this issue as in others, that members of the Conference relate to one another in a spirit of love and unity. Members are not asked to compromise their own convictions, but are asked to respect the right of others, who are also devoted to the Head of the Church and to His Word, to hold their own convictions as well.

# RACIAL RECONCILIATION

## Preamble

“After this I looked and there before me was a great multitude that no one could count, from every nation, tribe, people and language, standing before the throne and in front of the Lamb” (Revelation 7:9). The Conservative Congregational Christian Conference (CCCC) embraces this glorious hope of all the people of God, which is the Church of Jesus Christ.

Christ’s desire is for “those who will believe in me...that all of them may be one, Father, just as you are in me and I am in you” (John 17:20,21). The Good Shepherd expressed His compassionate desire for His Church when He said, “I have other sheep that are not of this flock, I must bring them also. They too will listen to my voice, and there shall be one flock and one shepherd.” (John 10:16)

The need for worldwide racial reconciliation is great. The sins of prejudice, bigotry, racism and ethnocentrism in all their sinful manifestations exist both individually and institutionally. The lethal combination of prejudice plus power creates racial discrimination in all its depravity. The solution is found only in the atoning death of Jesus Christ and His Church, whom He calls to be ambassadors of reconciliation in the world (II Corinthians 5:15-21; Galatians 3:28).

Moreover, Congregationalists have historically been courageous in speaking out against the godless practice of racism. For example, nineteenth century abolitionist Lewis Tappan, a Congregationalist layman, declared: “Abolitionism is a belief that American slavery is a crime against man and a sin against God...it is a duty to do all we lawfully and scripturally can for its overthrow.” We are called to the same kind of Biblical courage today! Christ’s call to reconciliation between brothers and sisters will require courage and obedience (Matthew 5:23,24).

## Scriptural Considerations

God’s written Word declared that all people are sinners by nature; and given the opportunity, sinners by choice (Romans 5:12-21; 3:9-12). This common sinful rebellion has estranged us from our Creator; and no effort of our own is able to reconcile us to our God, who alone is the giver of eternal life (John 3:16-18; Titus 3:5). God, in His gracious mercy and love, sent His only Son, Jesus Christ, to die on the cross in payment for our sins (Romans 5:6-8). All who repent and believe in Him have been born again and are thus forgiven and have gained the right to be called God’s children (John 1:12). In this gracious action, those who were once at enmity with God have been reconciled to Him (Acts 3:19-26; Romans 5:9-11; 8:12-17; II Corinthians 5:14-21).

Sin not only separates us from God; it also divides us from one another. As such, we understand racial and ethnic enmity as a tragic expression of universal human sinfulness (Galatians 5:19-21). Yet, we must affirm that just as we are dependent upon God for our creation and redemption, so He alone is the source of all peace, reconciliation, and fellowship between people. The apostle Paul teaches that the cross of Christ has taken away the “enmity” and the “middle wall of partition” between Jew and Gentile believers (Ephesians 2:14,15). This includes removal of the historical barriers to God’s saving grace, as well as the enmity which had previously existed between these disparate groups (Ephesians 2:11-22. Cf. John 4:1-42; Romans 11:12-21; I John 4:7-11).

This is a very challenging and transforming truth. It exposes the sinful attitudes and prejudices that human beings have toward peoples not like themselves. The Acts of the Apostles traces the achievements and struggles of those called to testify to the Gospel truth that God, in His grace, “shows no partiality” (Acts 10:9-48; 15:1-21; 28:25-29. Cf. Matthew 28:19). This same grace proved a stumbling block for Peter as illustrated when Paul rebuked him for withdrawing from the fellowship of his Gentile brethren (Galatians 2:11-12).

### **Implementation**

Therefore, the CCCC is committed to responding to Christ’s desire for unity among His disciples as expressed in John 17:22 and by reflecting the diversity of the Bride of Christ depicted in Revelation 7:9. To give substance to this commitment requires a continuous, concerted effort. Therefore the CCCC will pursue the following strategies and goals.

1. We will renounce and decry the sins of prejudice, bigotry, racism and ethnocentrism in all their sinful manifestations, individually and institutionally. We affirm there is one human race, and so any arbitrary attributing of particular status based upon color, culture or other characteristics is contrary to the grace of God demonstrated in His making “the two one new man.” When individuals or societies act upon such false distinctions, they perpetuate the sin of racism.
2. The CCCC recognizes the need to evangelize the entire spectrum of American culture, including the fastest growing segment of our population in our urban centers. Our Conference is called to serve all people groups whether in cities, towns, villages, Indian reservations or temporary quarters that house migrant farm workers. Therefore, we will identify, call and support gifted persons to:
  - a. Recruit seminarians into Conference Care who are called to serve in urban settings and among minority people groups upon graduation.
  - b. Seek to bring unaffiliated urban and other churches into the Conference.
  - c. Facilitate networking between urban churches and Conference ministries.
  - d. Stimulate church multiplication in urban and other areas, specifically reaching out to minority communities.
3. We will schedule workshops at our Annual Meetings that address urban multicultural ministry issues.

In these ways, we believe the Conference will be reaching out in the spirit of the Great Commission in order to make disciples of ALL nations.

# STATEMENT REGARDING THE CHARISMATIC MOVEMENT

## PREAMBLE

Frequently, the Board of Directors is asked questions regarding the position of the CCCC with respect to the Charismatic Movement and particularly the matter of glossolalia.

The Conference as a body would find it difficult, because of our congregational structure, to make a definitive policy statement. However, the Board of Directors wishes to present this simple statement as a product of its thinking and with the desire that the "Unity of the body" be maintained.

## ASTATEMENT

It is our conviction that the plain teaching of the New Testament is that the more spectacular sign gifts, i.e., tongues, healings and miracles, needed some degree of order that would prevent their indiscriminate use (I Cor. 14:40). It appears that the Apostle Paul taught that the more spectacular gifts were secondary to those that instructed believers in faith and morals and that evangelized non-Christians (I Cor. 12:28-31). Tongue speaking was certainly not forbidden (I Cor. 14:39), but intelligent exposition of the Word of God, along with instruction in faith and duty was definitely superior.

Therefore, we desire that in the life of our Conference there be neither evangelism on behalf of the spectacular gifts nor forbidding thereof. So that there be no confusion relating to our position, we give the following examples:

- a. To use either the Annual Meeting or regional gatherings for the promoting of these spectacular gifts is not in order as it will engender division.
- b. To use either the Annual Meeting or regional gatherings as platforms to antagonize members by denouncing these gifts is also out of order.

"That there should be no schisms in the body; but that the members should have the same care one for another." (I Cor. 12:25).

## CONCLUSION

We respect those who hold to the view that the sign gifts were withdrawn when the canon of Scripture was closed. We also respect those who hold that these same gifts are still among us today. However, we are firm in our belief that messages received by means of these gifts are not equal to the revelation of God in Holy Scripture.

# **POLICY AND GUIDELINES FOR THE CREDENTIALS COMMITTEE REGARDING MINISTERS WHO ARE DIVORCED**

## **I. STATEMENT OF THE ISSUE**

The presence of divorce in American life today together with the increasing incidence of divorce among the clergy confronts our Conference, and particularly our Credentials Committee, with the issue of ministers who have been divorced being granted admission and continued standing in the Conference. It is necessary, therefore, to set forth policy guidelines for the consideration of divorce situations.

## **A. SANCTITY OF MARRIAGE**

It is an accepted fact in our Conference that the Scriptures are the standard by which guidelines should be determined. In this light the sanctity of marriage cannot be overemphasized. When asked His view on divorce, Jesus replied, "Haven't you read that at the beginning the Creator 'made them male and female' and said, 'For this reason a man will... be united to his wife and the two will become one flesh?' So they are no longer two but one. Therefore what God has joined together, let not man separate." (Matthew 19:4, Genesis 2:24) God instituted marriage. It is not subject to the changing norms of society. God designed marriage to be a permanent union of a man and woman by which they are made one. God did not allow for divorce in his design. Marriage is a total commitment of two people to one another for life. It is a covenant of companionship.

In the light of Proverbs 2:17 and Malachi 2:14, marriage is a covenant relationship before God, and the breaking of a covenant of whatever kind is wrong. Sin is involved in every divorce. According to Malachi 2:16 God hates divorce. That is not to say that God hates people who are divorced, nor is it to say that everyone who is divorced is guilty of the sin that resulted in divorce. Some people are divorced by their mates against their will and in spite of their efforts toward preservation of the marriage. This raises the question whether divorce per se disqualifies a minister from continued standing in or acceptance into membership in the Conference.

## **B. SANCTITY OF THE MINISTRY**

Even though it might be allowed that divorce in itself may not eliminate a man from the ministry, it must be remembered that, in the light of Scripture the sanctity of the office of the ministry and the example of the minister cannot be overemphasized. Paul wrote to Timothy, "If a man desire the office of a bishop, he desireth a good work. A bishop then must be blameless..." (I Timothy 3:1-2). The sacred nature of the office is emphasized by Paul when he says in I Corinthians 4:1, "Let a man so account of us, as of the ministers of Christ, and the stewards of the mysteries of God." To Titus he wrote, "A bishop must be blameless, as the steward of God; not selfwilled, not soon angry, not given to wine, no striker, not greedy of filthy lucre; but a lover of hospitality, a lover of good men, sober, just, holy, temperate, holding fast the faithful word as he hath been taught..." (Titus 1:7-9). In other words, the life of a minister must be exemplary in every way because of the high office which he represents, "in all things showing himself a pattern of good works." (Titus 2:7)

Peter admonishes ministers to “feed the flock... taking oversight thereof ... not ... as lords over God’s heritage, but being examples to the flock.” (1 Peter 5:2,3), and Paul reminds ministers that “we are ambassadors for Christ,” standing in Christ’s stead. Because of the sanctity and high calling of the ministry, therefore, and because it places the minister before the Church and the world as a pattern of what Christian living should be, the divorce of a minister is an extremely serious matter. Even though the minister himself may be innocent of wrongdoing, his divorce can have disastrous and far reaching effects on his congregation and his future ministry.

## **II. UNITY WITH DIVERSITY IN THE INTERPRETATION OF SCRIPTURE**

At this point we must recognize that, within the unity of our Conference, there is diversity. We are united in our conviction that the Bible is God’s Word and our ultimate authority, but there are areas of Biblical interpretation where our understanding differs. For example, we all accept the sovereignty of God but we have differences of understanding how God’s sovereignty relates to man’s freedom and responsibility. Likewise we unite in expecting the return of our Lord but we differ as to the sequence of events associated with His sure return. The same can be said regarding the charismatic gifts and the place of women in the ministry. In the same manner we agree on the evil of divorce but we do not all understand the teaching of Jesus and other Scriptures on divorce in exactly the same way.

### **A. UNEQUIVOCAL DISQUALIFICATION**

There are members of our Conference who are strong in their conviction that any minister who is divorced for whatever reason is thereby disqualified to serve in the ministry and should not have standing as a minister of the Conference nor be pastor of a church. Paul’s words, “The overseer (minister) must be above reproach, the husband of but one wife..” (1 Timothy 3:2), are understood as requiring the disqualification of a divorced minister. The situation is compounded if the minister has married the second time. The teaching of Jesus in Luke 16:18, Matthew 5:31,32 and Matthew 19:1-9 is taken by some to mean that, while divorce is wrong, an exception is allowed in the case of fornication, but the exception does not leave the innocent party free to serve in the ministry or to remarry.

### **B. FORGIVENESS AND RECONCILIATION**

Some members of the Conference, however, hold other considerations, which they believe are also valid in the light of the Bible. For example, there is the principle of God’s forgiveness and restoration. What shall we say of the man who was divorced before his conversion to Christ when he was made a new creature in Christ? If he had been guilty of sexual sin before becoming a Christian he would not thereby be ineligible for a call from God to the ministry. Paul was guilty of murder and blasphemy before his conversion but God forgave him and made him a minister. There are men who have been saved out of a life of immorality and debauchery who have become able ministers of the Gospel. Is the breaking of the marriage covenant a greater sin than pre-marital promiscuity? When God forgives sin He casts them behind His back (Isaiah 38:17). He casts them into the depths of the sea (Micah 7:19). He remembers them no more (Jeremiah 31:34), and He removes them as far as the east is from the west (Psalm 103:12). God forgives the sins we confess and cleanses us from all unrighteousness (1 John 1:9). Some members of our Conference would say,

“Yes, God does forgive and forget, but the divorced minister still should not serve in the public office of the ministry.” Other members of the Conference would say, “When God forgives the truly penitent sinner; whatever the sin, he wipes the slate clean. Should we continue to call the man unclean and unworthy of service if God has pardoned him and made him clean? Is there any reason why God’s assurances of forgiveness should apply to every other sin except divorce? Divorce is not the unpardonable sin.”

### **C. RELEASE FROM THE MARRIAGE COVENANT**

Consider also the case of the minister who has not been guilty of disruption of his marriage by unchristian attitudes and conduct which have driven his wife to seek divorce, and who has made every effort toward reconciliation and the saving of his marriage. If his wife persists in “putting him away” by divorce, he is in no way guilty of violating God’s law. If both he and his wife are Christians, he should remain unmarried and continue to seek reconciliation according to I Corinthians 7:11. If he fails to do so, his eligibility to continue in the ministry is severely damaged if not destroyed.

If, however, the wife has proven herself to be an unbeliever in the above situation, according to I Corinthians 7:15 the minister “is not bound,” and if he is not bound, he is free. He has been released from the marriage covenant. There is a parallel to this in Romans 7:2,3 where Paul declares that a woman is “bound to her husband as long as he is alive... But if he dies, she is released from the law and is not an adulteress though she marries another man.” In Romans 7 the death of the husband terminates the marriage and in I Corinthians 7 the willful departure of the unbeliever terminates the marriage. The sense of I Corinthians 7 appears to be that a person who has sincerely sought to preserve a marriage but has been divorced contrary to his will and effort toward reconciliation is a free person. In such a case it is a valid conclusion of some that a minister should not be penalized and prevented from serving in the ministry solely because he has been divorced. Some ministers in such cases have continued to enjoy the blessing of God on their ministry.

### **D. LAWFUL - BUT NOT EXPEDIENT**

Having said all this, we need to recognize that the traumatic experience of going through a divorce and the possible attitudes of a minister’s present and future congregations may quite possibly make it very difficult, if not actually impossible, to carry on an effective ministry. The minister, the congregation and the Credentials Committee will do well to consider that while, in the view of many members of our Conference, it may be lawful for a divorced minister to continue to serve in the ministry, it might not be expedient. He might better devote his talents, training and experience to some service for the Lord other than the pulpit and pastoral ministry, such as writing, counseling or administration.

## **III. CONFERENCE RESPONSIBILITY**

In the light of the above considerations, we must keep in mind that the Conference does not speak for the local church or for the individual minister or member of the Conference.

### **A. DETERMINATION BY THE LOCAL CONGREGATION**

Every church determines for itself what its practice shall be regarding divorce. Every church has complete freedom and responsibility to make sure that the minister it calls to lead the congregation shall be in harmony with its own

standards regarding divorce. In making referrals to churches seeking ministers, the Conference office shall always provide the full resume and record of a minister including his marital status. Churches may differ in their views of divorce, but we are bound together in our Conference by our common commitment to the heart essentials of our Christian faith as stated in our Articles of Faith.

## **B. ACCEPTANCE OF THE VARIOUS BIBLICAL INTERPRETATIONS**

The views of our ministers vary in some areas other than the cardinal truths set forth in our constitution. In those areas where we differ the conscience of the individual minister is not compromised by the position expressed by the Conference in such areas as eschatology, the charismatic movement, women's part in the ministry, divorce, or any other area. On the other hand, the Conference and the Credentials Committee must recognize that born-again Bible-believing, evangelical Christians and ministers within the Conference will have differing convictions which they derive from their understanding of Scripture. We must make allowance for such varying convictions and make a place for the brother whose views differ from our own as long as he does not deny the fundamental truths of the Bible. We must also be careful not to impose the convictions of any one man, church or segment of the Conference on any minister, church or the Conference as a whole. In Christian love we must accept one another and respect the privacy of everyone's conscience before God.

## **C. OBLIGATION OF THE CREDENTIALS COMMITTEE**

Finally, let it be said that the Credentials Committee is under obligation to exercise extreme care in considering the divorce of a minister of the Conference or one who is applying for membership. The Committee's actions must proceed prayerfully with compassion toward the individual and with due regard to the high standards of the ministry set forth in Scripture.

All who experience divorce shall enter a period of review. Unrepentant persons causing the dissolution of their marriage will be dismissed from ministerial membership in a manner consistent with the CCCC constitution and by-laws.

Other ministers shall have their credentialed status suspended for a period of review, the length of which is determined by the Credentials Committee. I Timothy 5:22 gives caution regarding the hasty laying on of hands, a principle which should not only apply to the novice or those who newly apply for CCCC standing, but also to those who experience divorce while pursuing an active ministry within our fellowship. In taking this approach, we recognize that Conference actions do not bind a local church in its decision to continue a pastoral relationship with a divorced minister.

After this review period, the Credentials Committee will, upon request, examine or re-examine the general trends of ministerial personal fitness as outlined in I Timothy 3:1-7. Personal references from those who know the individual's current home situation will be sought. If the individual is "well thought of by outsiders" then his credentials would be returned as a positive endorsement. It is believed that such a vouching process would prove to be both a source of encouragement for the individual and a source of confidence for churches that may consider this individual as a prospective candidate for pastoral office.

# HOMOSEXUALS AND THE CHRISTIAN FELLOWSHIP

Our aim in the following statement is to combine theological thinking and Biblical commitment with contemporary understanding and compassionate pastoral concern.

1. God in His Holy Word plainly condemns the practice of homosexuality as an abomination in His sight (Leviticus 18:22), as a degrading and unnatural passion (Romans 1:26,27), as one that brings grave consequences in this life, and as a sin that, if persisted in, will exclude one from the Kingdom of God (I Corinthians 6:9,10).

Therefore, neither individual Christians, nor ministers of the Word of God, nor congregations of the Lord Jesus Christ, may take away from or lessen God's prohibition of and warnings against the practice of homosexuality.

Neither may they individually or collectively as responsible citizens in a free society, urge or concede that the State should give special protection or approval to this practice, or promote it as a matter of personal taste, free choice, or "sexual orientation." Homosexuals are not entitled to special treatment under the law. That would be tantamount to rewarding evil.

2. The Apostle Paul testifies that those once involved in homosexuality were among those who were washed, sanctified, and justified in the name of the Lord Jesus Christ (I Corinthians 6:11).

Therefore, individual Christians, ministers and congregations, understanding that all human beings are sinners, and that as Christians we have received God's mercy while helpless, ungodly and hostile to God (Romans 3:23;5:6,10), must warn against homosexual practices as from the mouth of the Lord (Ezekiel 3:17), and, at the same time proclaim forgiveness, cleansing, restoration, and power for godly living for all who repent and believe the Gospel (John 1:12;3:16; Romans 1:16; I Corinthians 6:11; Philippians 2:13).

We specifically renounce any unbiblical prejudice against persons who are homosexual simply because of their orientation, which is just one particular form of the same sinful orientation we all have. But we do believe that every expression of that orientation is sinful, just as every expression of adulterous desire is sinful, and we believe that all practicing adulterers and homosexuals should be called to repentance.

3. God desires that all mankind repent and come to a knowledge of the truth and be saved (II Peter 3:9; I Timothy 2:4).

Therefore, individual Christians, ministers and congregations, will compassionately and in love, proclaim the Good News of forgiveness and the admonition to go and sin no more (John 8:11) to those once involved in homosexual practices, admitting such into fellowship after confession of faith and evidence of repentance, as with all those who have sinned grievously in other ways (I Corinthians 6:11). We counsel those homosexuals who do not experience full healing and reorientation to remain celibate, trusting the Holy Spirit to give a joyous and fruitful existence as is promised to believers who cannot experience marriage (Isaiah 56:3-5). Jesus repeats this promise (Matthew 19:12).

# STATEMENT ON ABORTION

## PREAMBLE

Christians affirm that human yearning for reality and meaning can be satisfied only by the knowledge of and a relationship with a personal God who alone can change human nature and liberate from the bondage of self-indulgence<sup>1</sup>. Human worth is a consequence of being made by and in the image of a personal God<sup>2</sup> - who is sovereign over history and places us within the framework of God's continual acts in history.<sup>3</sup>

The dominant philosophy of this age opposes this world and life view and asserts the dignity and worth of people and their capacity for self-realization through reason apart from the supernatural and sovereign involvement of a personal God.<sup>4</sup>

Clear lines of confrontation between these two opposing faiths are not always easily discerned by the Christian community, both individually and corporately. Cultural conditioning, ignorance of God's revealed will and sin all mitigate against a clear perception of many ethical and moral issues. Nevertheless, we affirm the authority and witness of God's revelation in Scripture and the heritage of Church history regarding the dignity and sanctity of all human life and oppose anything that would blur or lessen its value.<sup>5</sup>

We humbly recognize the complex presuppositions, realities and implications of ethical/moral decision-making and confess our own sinful silence in failing to act where the lines of conflict are obvious.<sup>6</sup> We accept the challenge to confront the pragmatism of this age and seek to move away from past indifferences and the subtle seductive power of this age.<sup>7</sup> We, therefore, affirm that abortion on demand for reasons such as personal convenience, social adjustment, economic advantage, genetic defect, or physical malformation is morally wrong.<sup>8</sup>

## STATEMENT

We believe that all human life is a gift from God and is therefore sacred.<sup>9</sup> The Lord has created all life sacred and cherishes all lives: including all those which have been marked by the effects of the fall of nature, resulting in physical and mental abnormalities.<sup>10</sup> We believe that God has told us, in Scripture, what our attitude should be towards the unborn.<sup>11</sup> Specific blessings have been conferred upon unborn infants, pre-eminently in the incarnation of Jesus Christ.<sup>12</sup> Scripture clearly states that God provided penalties for actions which result in the death of the unborn.<sup>13</sup> The fetus is not a growth or piece of tissue in the mother's body, nor even a potential human being, but a human life who, though not yet mature, is growing into the fullness of the humanity it already possesses.<sup>14</sup> The humanness of the fetus is confirmed by modern medical science. From the moment of conception a unique genetic code distinct from both parents is established, sex is determined and the only requirements for development into an adult human being are time and nutrition.

Thus, we affirm that the moral issue of abortion is more than a question of the freedom of a woman to control the reproductive functions of her body. It is a question of moral responsibility involving at least two human beings at different stages of maturity. Abortion transcends issues of personal, economic and social convenience or compassion. No woman gives birth to herself. She gives birth to a child that is a distinct body and personality from herself. Consequently, even

if we agree that every woman has a right to do with her own body as she sees fit,<sup>15</sup> we cannot conclude that she therefore has the right to take the life of her child. However, in the rare situation when the life of the unborn child mortally threatens the equal life of the mother, the mother is not required to sacrifice her life.<sup>16</sup>

We believe that the Church is commissioned to declare and demonstrate this high regard for human life, the reality and complexity of the sinful human condition and God's forgiveness through grace and the redemptive work of Jesus Christ.<sup>17</sup> The community of Christian believers furnishes the context out of which this declaration and demonstration grow.<sup>18</sup> It is the responsibility of the Church to insist that society not adopt a policy that would deny the sanctity of human life and lead people to take life lightly. The Church must advocate the protection of the freedom of those who cannot protect themselves. The Church must therefore seek to protect the unborn child's freedom to live.<sup>19</sup> In addition, Christians must reach out to those who are confronted with the crisis for which abortion seems a solution with the offer of a Biblical alternative, providing the practical care and compassion needed.<sup>20</sup>

## CONCLUSION

The Gospel of Jesus Christ is the only adequate answer to the terrible spiritual, moral and social dilemma confronting the society that legalizes abortion and the parents contemplating abortion. Christians are called to live in active tension with culture, neither becoming complacent toward evil nor proponents of it but promoting the truth of God's revelation.<sup>21</sup> The current state of affairs in our society compels Christians to share in the responsibility for the tragedy upon us, to promote justice and propagate the promises of grace.<sup>22</sup> Christians have a responsibility to be involved in the legislative process of our democratic society for the purpose of guarding the freedom of the unborn. The Church also has the obligation to educate its own constituents and society itself concerning the complex issues surrounding abortion and equip people with a Biblical alternative.<sup>24</sup> God has commissioned the Church to experience and express the redemption that is available in Christ Jesus. Therefore, it is precisely to those who are in trouble and despair that the Church has to present the message of forgiveness and redemption. Even those who have sinned must be sheltered by Christian love and assured that no one is beyond the scope of God's forgiveness.<sup>25</sup> The Church must also create alternatives and share the burden of caring for the lives of those brought into the world under difficult circumstances.<sup>26</sup> May God's grace and wisdom prevail as we seek to work for an end to abortion.

# STATEMENT REGARDING EUTHANASIA AND ASSISTED SUICIDE

## Reason for this Statement

The Conservative Congregational Christian Conference has consistently affirmed that all human life is a gift from God and is therefore sacred. This principle applies to life from the moment of conception to the moment of death. Modern society is increasingly faced with questions regarding individual autonomy in relation to both how people choose to live and how they choose to die. We of the Conservative Congregational Christian Conference believe that God's written Word teaches principles which provide clear guidance in making decisions about life and death. We maintain that the continuum of life, from conception to the moment of death, should be lived in obedience to God's Holy Word.

## Definition of Terms

1. Euthanasia literally means "good death", derived from the Greek "eu" (good) and "thanatos" (death). Euthanasia is generally considered in two distinct forms:
  - a. *Active* Euthanasia is generally defined as the intentional bringing about of an easy and painless death to a person suffering from an incurable or painful disease. Active euthanasia is the direct and intentional killing of one human being by another as a deliberate act of commission.
  - b. *Passive* Euthanasia is generally defined as the cessation or withholding of the employment of extraordinary measures which would artificially prolong physical life when there is believed to be irrefutable evidence that life without such measures cannot long continue. Passive euthanasia may be considered an act of omission by refusing to sustain life through technology or by other means.
2. Assisted Suicide is generally defined as the intentional intervention by any individual with the intent to produce the death of another individual; in this context, often considered for the purpose of relieving pain and suffering.
3. Physician Assisted Suicide is generally defined as a physician offering assistance with the intended purpose of either hastening death or terminating a person's life through the actions involved in one or both of the following roles:
  - a. providing information about how to commit suicide in an effective manner;
  - b. providing the means necessary for an effective suicide; which may include writing a prescription for a lethal amount of medication, providing moral support for an individual's decision to commit suicide, supervising the actual suicide, and helping the individual carry out the necessary physical actions to effectively complete the suicide.

## Biblical and Theological Considerations

1. *Man as the Image of God:* Man was created in the image of God, and was given dominion over the earth as the representative of God's sovereign rule over all creation (Genesis 1:26-28). As the image of God, man has the design and

capacity for unique fellowship with the Triune God and with his fellow man (John 17:20-24; 2 Corinthians 13:14). Man bears the responsibility as God's image to reflect His holy nature (1 Peter 1:15,16). Man as God's image deserves to be respected, valued, and loved; and so God commands, "You shall love your neighbor as yourself" (Leviticus 19:18, Mark 12:28-34). Anyone who willfully injures or destroys God's image without His explicit sanction demonstrates a lack of love and reverence for God Himself.

2. *The Image of God and the Intentional Destruction of Human Life:* The fact that God still values sinful man as the bearer of His image is revealed in His abhorrence of the murder of Abel by Cain (Genesis 4:9-11), and in His statement to Noah following the great flood: "Whoever sheds man's blood, by man his blood shall be shed; for in the image of God He made man" (Genesis 9:6). The Sixth Commandment states, "You shall not murder" (Exodus 20:13). Scripture sanctions the destruction of human life only under the following circumstances: when the governmental authority acts to resist and punish evil (Genesis 9:6; Romans 13:1-5), or when it is unintentional or accidental (as may occur in self-defense or to protect the lives of others: see Numbers 35:9-12; Deuteronomy 19:1-6; Joshua 20:1-6; Luke 22:38). There are no other Bible based sanctions for permitting the intentional destruction of human life.

3. *The Body as the Temple of the Holy Spirit:* The Apostle Paul wrote the following about Christians in First Corinthians:

Or do you not know that your body is the temple of the Holy Spirit who is in you, whom you have from God, *and that you are not your own?*

For you were bought at a price; therefore glorify God in your body (1 Corinthians 6:19,20; cf. Romans 8:9-11).

This passage teaches that our bodies are God's temple and possession, and we are therefore responsible to Him to be good stewards of our bodies. This truth refutes the popular concept held by many that they have an autonomous right to do as they wish with their own bodies: such thinking is a rejection of God's declared purposes for our bodies as revealed in Scripture; and, as such, is an expression of sinful rebellion against our Creator.

4. *Suffering and Death for the Christian:* Death was the consequence for man's sin (Romans 6:23); but the Good News is that, "God so loved the world that He gave His one and only Son, that whoever believes in Him should not perish but have everlasting life" (John 3:16). The death and resurrection of Jesus Christ have given believers ultimate victory over death (1 Corinthians 15). Because of the wonderful glimpse of resurrection life in Revelation chapters 21 and 22, it is only natural that Christians will at times long for the release which death will bring from the sorrows and suffering of this world (2 Corinthians 5:1-8; Philippians 1:19-26). Scripture, however, teaches that some suffering is a normal part of preparing believers for eternity. Suffering is part of the cross which God has ordained that Christians should bear for the sake of growth in faith and Christian character (Luke 14:27; James 1:2-4; 1 Peter 1:3-9).

There is no spiritual benefit from needless physical suffering; to the contrary, the church is called to continue in Christ's ministry of relief to those who are suffering (Psalm 72:12-14; James 5:13-15). Christians should encourage medical intervention which relieves physical pain and suffering in order that we may maintain our ability to witness to the grace of the Lord Jesus Christ (Matthew 5:13-16; 1 Corinthians 6:12). If pain is not completely eliminated, Christians should see this as an opportunity to share in the sufferings of Christ; knowing

that He has promised His faithful presence with them (Psalm 23:4; John 16:33; Philippians 3:10,11). Sharing in the fellowship of Christ's sufferings precedes sharing in the fellowship of His resurrection.

### **Application of Biblical Principles**

1. *Life Support and Active Euthanasia:* Modern technology has placed before Christians the option of artificial life support. God has given man the intelligence to develop technologies which save physical life; and prolonging this mortal life is praiseworthy if it provides additional opportunity to glorify God in ministry (Philippians 1:19-26). If a physical condition of progressive deterioration develops from which there is no medical hope of recovery and which has not been healed through intercessory prayer, there is no theological reason to prolong life artificially using modern technology. The determination to discontinue (or not to initiate) artificial life-support should be made only after thorough medical and pastoral consultation. There is a profound difference between allowing a person to die comfortably without life-prolonging measures, and actively causing the person's death ("active euthanasia"; whether by suicide, assisted suicide, or so-called "mercy-killing" by someone else). Although the motive of wanting to end suffering may seem reasonable enough, the practice of active euthanasia is an irreversible decision made by fallible humans at a time of great vulnerability. Active euthanasia sinfully destroys the temple and image of God. Instead, Christians need to follow the precedent of Holy Scripture and historic church tradition, and leave the timing of death in the hands of God.

2. *Compassion and Hope:* Both caregivers and those suffering from a life-threatening illness may experience physical, emotional, and/or spiritual pain when faced with a prolonged dying process, especially if there is any amount of unrelieved suffering present. Artificial life support has the potential for extending such suffering; and for this reason, people should make their explicit wishes known through available legal documents (such as Living Wills and Advance Directives for Health care). Christians should encourage the use of appropriate palliative and comfort measures for those faced with incurable life-threatening conditions: people skilled in pain and symptom control can do much to relieve physical suffering in most cases (organizations such as hospice may provide invaluable help in these efforts). Christians should remember that the temporary "sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us" (Romans 8:18; cf. 2 Corinthians 4:16-18).

### **Conclusion**

We of the Conservative Congregational Christian Conference hereby:

1. Encourage all efforts to relieve unnecessary pain and suffering utilizing whatever appropriate measures are available, while always remaining obedient to God's Holy Word, and with the intent to affirm the sanctity of human life as created in the image of God;
2. Encourage our membership to make their explicit wishes known through available legal documents;
3. Oppose all efforts to condone or practice any form of Active Euthanasia and Assisted Suicide;
4. Encourage local churches and individual believers in their responsibility to support patients and their families in biblical decision-making as well as providing comfort through a ministry of presence to those facing a most difficult time in their lives.

## POSITION PAPER ON PORNOGRAPHY AND OBSCENITY

The Conservative Congregational Christian Conference is aware of the widespread and harmful influence which pornography increasingly is having on our country. It has become clear to us that we can no longer remain idle while promoters of pornography contribute to the decline of the morals of society by advocating a lifestyle which is contrary to Biblical teaching, is harmful to the family, and is ultimately destructive to individuals.

The word pornography is derived from two Greek words: *porne* which means "harlot," and *graphein* which means "to write." Originally, then, pornography referred to "the writing of harlots" (*pornographos*). Today it refers to any explicit depictions of erotic behavior (as in pictures, photographs, writings, or books) which are intended to cause sexual excitement.

Pornography has its roots in the abuse of sexual expression. The New Testament makes it abundantly clear that a cardinal vice of the pagan world was impurity and immorality. The Apostle Paul pays special attention to the sinful behavior characteristic of the Gentile world, particularly the sins of immorality and homosexuality (Romans 1:24-27). Sexual sins head up a list of sins which characterized a world that had sunk deep into the depravity of the flesh and of the spirit: the most fundamental sin being the rejection of God and His righteous ways (Romans 1:21,25,28,32). Today, in our secular and humanistic society, the Biblically condemned forms of sexual immorality are not only tolerated but openly promoted as "alternate life styles" which should be accepted.

Standing in sharp contrast are the Scriptures which condemn fornication (Eph. 5:3; Col. 3:5), adultery (Lev. 20:10; Rom. 1:24), incest (Lev. 18:6; I Cor. 5:1), homosexuality (Lev. 20:13; Rom. 1:24), bestiality (Lev. 18:23), and prostitution (Lev. 19:29; Eph. 5:5). Also the Old Testament makes it clear that the presence of evil sexual practices was a major cause for God's judgment upon Sodom and Gomorrah (Gen. 19:5,13). Scripture tells us "it is God's will that you should be sanctified; that you should avoid sexual immorality; that each of you should learn to control his own body in a way that is holy and honorable, not in passionate lust like the heathen, who do not know God..." (I Thess. 4:3-5).

Pornography is one form of depraved man's insistence on explicit sexual activity. Pornography is known to visually depict, and by inference, to approve and encourage, most if not all of the earlier mentioned forms of sexual immorality. Pornography is especially degrading to women since most pornography involves the use of women in subordinate and degrading roles for the purpose of sexual exploitation. In many cases it fosters the mentality which considers women as only objects which exist to gratify the selfish and sometimes sadistic desires of men. Pornography is a form of profound hostility toward women.

In recent years, pornography has moved rapidly beyond adult scenes involving nudity and heterosexual intercourse to scenes which depict homosexuality, bestiality, and group sex orgies. Perhaps even worse is its exploitation of children. Our sensitivities are outraged at the degrading roles which children are called upon to perform. Often the result is permanent emotional damage to the child, and in some cases, death by murder. Today, "Kiddie Porn" is a fast growing and profitable segment of the pornography industry. Its focus is on

children at an early or pre-adolescent age. For the sake of these children, this outrageous exploitation must stop.

Less explicit, but with the potential to be just as morally harmful, are the activities of our film and television industries. Too often the Judeo-Christian values which call for sexual faithfulness to one partner in marriage are either ignored or distorted. Too often the media seems determined to present adultery, incest, prostitution, and in some cases, homosexuality, as the normal way of life. The positive portrayal of Christians is also a missing ingredient in an industry which often claims to simply reflect that which is social reality or that which the public wants.

Through the use of “soft core” pornography, the television and film industries promote sexual values which are blatantly anti-Christian. Furthermore, many of the life-styles and values which are modeled on the screen work against the traditional community values of society. Media values are often in direct contradiction to those life styles and values which are modeled and proclaimed in the Scriptures as examples of holy living. Such holy living is pleasing to God and healthy for us.

We are deeply alarmed at the spread of all levels of pornography as modern technology is utilized. With the rise in popularity of cable television, video cassette recording, “dial-a-porn”, and personal computers, the distribution of pornography is made even easier. As an industry, it is now a multibillion dollar business and is often linked to organized crime. This expanded access means increased availability in our homes to both adults and unsupervised children.

Those who indulge in pornography also may become victims as they experience a need for escalation. Much research indicates that pornography is both seductive and addictive. It desensitizes the viewer and creates an appetite for even more sexually explicit material. This addiction can happen to anyone who regularly opens himself to pornography’s influence. Other documentation shows that pornography in some cases is linked to violence in sex related crimes such as rape or child abuse. This kind of perverted sexual activity is the result of a society which has come to believe that sex is simply another natural appetite and that it should be satisfied regardless of its manner of satisfaction.

It is time for Christians to wage war on pornography. Churches and individual Christians can no longer remain silent. We must call individuals to repentance by rebuking their sin and we must speak prophetically of God’s certain judgment upon a society which tolerates such activity. It is time to insist on legislation and firm enforcement of laws which would prohibit those few who would seek to make financial gain by exploiting the fallen nature of mankind. “Righteousness exalts a nation, but sin is a reproach to any people” (Prov. 14:34).

We call on the President of the United States, the Department of Justice, the Postal Service, and all proper authorities to enforce those laws and statutes which already exist against sexually explicit material. We call on local Christians and local churches to become involved in their individual communities. We take note that the Supreme Court has ruled that pornography is not protected by the First Amendment and that obscenity shall be determined by local community standards. Thus, it is that we believe this evil can be reduced, controlled, or eliminated if we the people and our elected officials refuse to tolerate its presence in our local communities.

In recognition of our obligation to uphold the righteousness of God, and recognizing that evil often exists because Christians too often remain silent, we, the Conservative Congregational Christian Conference, therefore:

ADOPT this position statement condemning pornography;

COMMIT ourselves to do everything we can to work toward the elimination of pornography in our society;

PLEDGE OURSELVES

- to reaffirm those scriptural principles which promote human dignity,
  - to protect our families from sexual exploitation,
  - to provide healthy roles for the expression of human sexuality,
  - to pray that God will grant national repentance, to forgive our sin, and to deliver us from our national obsession with all forms of sexual behavior which deviate from His revealed will.
